

Dear Parents and Carers,

There are weeks in the school year when lots of things happen, but this week has been one where the focus has been in the classrooms and teaching spaces around the school. Pupils working hard, teachers having prepared lessons, and those who are in support roles ensuring that tasks are completed. That is, in fact, what a school should be about.

is your life full of difficulties and temptations? Then be happy, for when the way is rough, your patience has a chance to grow. So let it grow, and don't try to squirm out of your problems. For when your patience is finally in full bloom, then you will be ready for anything, strong in character, full and complete.

*James 1: 2-4*

As you may have noticed in last week's Insider, we are running workshops in Maths and English for Year 6 pupils. I am determined that Year 6 do not get overly stressed as the weeks before SATs come and go. The outcome of these tests are for the school, and are not the be-all and end-all for individual pupils (whatever the media or government message may sound like). We shall be looking to keep things calm, and shall focus the pupils to be as confident and secure as they can be. Therefore, the workshops will be published each week so you know what support is on offer.

Also in regard to key stage 3 studies, I am glad that so many of the parents who attended our Parent Workshops found them useful. These were designed to complement the Maths sessions last term. Your feedback is appreciated.

We are able to offer feedback to you as parents and carers later this half term. There are Parent and Carer Consultation Evenings coming up for Year 6 and 8 on Thursday 1st and Wednesday 7th February. Appointment times to meet the teachers are to be booked electronically through Insight. Reports for the other year groups will be prepared for sending out, again via Insight, in the week before half term.

Rev C Leach  
Principal

Father,  
Thank you for the talents you have given us. Thank you that we are all different and can share our gifts with one another. We praise your name that we are able to help each other with our talents whatever they may be. We pray for those who can't see what their talent is and pray that you will reveal it to them and encourage them.  
Amen

This week's theme was:  
**Talents**

We have different gifts, according to the grace given to each of us.

# Year 6 and 8 Subject Parents' Evenings

At the start of January you received a letter regarding the upcoming year 6 and 8 parents' evenings. As stated in the letter you are welcome to attend one of two parents' evenings on either Thursday 1<sup>st</sup> February or Wednesday 7<sup>th</sup> February. Both evenings will run from 4-7pm with each appointment lasting for a maximum of five minutes.

Teachers of the core subjects (Maths, English and Science) tend to be very busy and get booked up quickly, so I would encourage you to book your appointments as soon as possible, if you have not yet done so, to avoid disappointment.

To book your appointments, please login to Insight at <https://insight.walkwoodms.worcs.sch.uk>, and select the General tab > Parents Evening. On the right hand side, press the time under the teacher you wish to see, and the appointment will be booked. In the case of a shared group, both teachers are available to book with but I would suggest booking in with the teacher who teaches the group for the majority of the lessons. Please look at your child's timetable for this information.

**Insight usernames and passwords were sent home last year when we began using this booking system. If for some reason you do not know your login details** - please complete this form: <http://stbsupport.co.uk/insight-password-reset/>. Please ensure you select Walkwood Church of England Middle School in the drop down choices at the top of the form. Responses to username requests can take up to 48 working hours.

If you have your username, but have forgotten your password, please follow the forgotten password link on the Insight login page to reset your password. Responses to password re-sets are instant. If you do not have internet access you can phone reception who will be able to book appointments on your behalf. Please note that children will no longer be able to book in appointments with teachers as per the old system.

The booking system for the parents' evening on Thursday 1<sup>st</sup> February will close at 10am on Wednesday the 31<sup>st</sup> January and 10am on Tuesday the 6<sup>th</sup> February for the parents' evening on the 7<sup>th</sup> February. You will not be able to book appointments after these times.

We hope to see you all at one of the above parents' evenings.

Assistant Principal

## Unwelcome Visitors!!

It has come to our attention that there have been a couple of instances of head lice here at Walkwood and would like to inform you what the procedure is if you do find these unwelcome visitors in your child's hair - they will need to be treated straight away and for there to be no live lice left in their hair before they return to school.

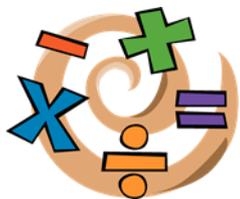

Let us show them they are not welcome here!

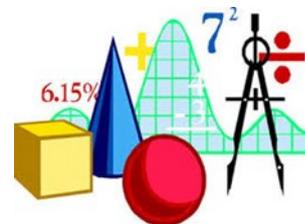

### Contacting the School

You can contact the school via phone or by email through the website, but please allow 48 hours for staff to respond.

# Sports News

On Friday 12<sup>th</sup> January, Walkwood year 5 and 6 girls went to compete in a athletics competition at Arrowvale High School. The winner of this went to represent Redditch in the Worcestershire School Games. There were 10 schools altogether. We tried our best and amazingly, we came 2<sup>nd</sup>, however, we lost to Birchensale with only a few points in it. We competed in many events such as vertical jump, relay, chest push, over and under, standing long jump and many more. In one event, Lexi Robins and Georgie Coldicott competed in the 3x2-lap relay where they each did 3 laps but, Georgie had finished her 3 laps and one of the organisers told her to do another lap after she had finished, luckily she came 1<sup>st</sup>.

## Points Boosters

As you are aware during the Autumn Term we launched a brand new initiative called 'Points Boosters'. This has proved to be a huge success rewarding all pupils who have 100% attendance and those pupils who consistently uphold and adhere to the Walkwood Values.

### How does it work?

#### Attendance Points Boosters

A 5-point booster will be awarded for every time your child has 100% Attendance for the period of the 2-week timetable- Week 1 & Week 2.

These points are automatically given out on the Friday of Week 2

Each time your child receives an Attendance Booster their name will be entered in to the Attendance College Prize Draw. See Below:

Spring Attendance College Prize Draw

An Echo Dot to be awarded at each  
College Celebration Assembly

#### Zero Demerit Points Boosters

Again during the Spring Term, we will be rewarding all pupils who continue to demonstrate excellent focus and behaviour in and out of lessons and complete all of their homework on time.

Pupils will gain a 5-point booster for every time your child has Zero Demerits during the period of the 2-week timetable- Week 1 & Week 2.

Again, these booster points are automatically given on the Friday of Week 2.

As a school, we continue to evolve and adapt our systems as we search to motivate our pupils to want to attend school and give their best whilst they are here. As always, your support is greatly appreciated.
