

Collective Worship Policy

Governing Body Committee responsible:		Ethos, Inclusion and Care			
Approval granted: 16 November 2020		Review date:	Autumn Term 2023		

"My house should be called a place of worship for all nations."

Mark 11:17

"Church of England Schools have at their heart a belief that all children are loved by God, are individually unique and that the school has a mission to help each pupil to fulfil their potential in all aspects of their personhood: physically, academically, socially, morally and spiritually. Schools have a duty to try to remove any factor that might represent a hindrance to a child's fulfilment. We want all pupils to want to engage in learning in a safe and welcoming ethos."

Valuing All God's Children, Church of England, 2014

"The core purpose of any Church school is to maximise the learning potential of every pupil within the love of God." SIAMS (Statutory Inspection of Anglican and Methodist Schools) 2012

A. W. Tozer -

"Without worship, we go about miserable."

Michael Catt -

"If we are going to worship in Spirit, we must develop a spirit of worship."

Pope Benedict XVI –

"Christian worship is worship in harmony with the eternal Word and with our reason."

Edward Hays -

"Our worship and devotion will have to stoke the kind of fire in our souls that can truly change our hearts."

William Temple -

"To worship is to quicken the conscience by the holiness of God, to feed the mind with the truth of God, to purge the imagination by the beauty of God, to open the heart to the love of God and to devote the will to the purpose of God."

The aim of the collective worship policy is to provide the opportunity for pupils to:

- worship God;
- reflect on values that are of a broadly Christian nature and on their own beliefs;
- develop a community spirit, and a common ethos that embraces and celebrates difference;
- reflect upon how the Fruits of Faith (school values) underpin relationships at all levels in the school and the local, national and international community;
- consider spiritual and moral issues;
- respond to the worship offered.

Implementation

Collective worship will:

- be acceptable to the whole community, staff and pupils;
- include a variety of elements at different times;
- involve the pupils.

Morning Worship takes place at the start of the school day, as it is a time when various groups within the school can meet together for prayer and reflection.

There is general agreement that worship should be an educational activity offering opportunities for spiritual, moral, social and cultural development. It helps pupils and adults to appreciate the relevance of faith in today's world, to encounter the teachings of Jesus and the Bible and to develop their understanding of the Christian belief.

As with any effective lesson, the teacher should employ a variety of teaching styles that engage and challenge.

Collective worship may therefore include some of the following ingredients:

- The use of the Bible as a source book for inspiration and learning.
- Observing the religious cycle of the Christian year.
- Observing Saints days, or lives of Saints, and other key Holy Days.
- Using traditional Christian prayers, responses and greetings, and an opportunity for prayer and/or for quiet reflection.
- A talk or a story.
- Introductory music to create a worshipful atmosphere, using music from a variety of Christian traditions.
- The singing of hymns and or appropriate songs.
- The use of projected imagery and multi-media.
- Using poetry, music, and art to provoke a thoughtful response using video, television clips or slide presentations.
- Drama and role play.
- There will be Eucharistic celebrations both at The Bridge Church and within school.
- Other services at The Bridge Church include the Y5 Welcome service, Y8 Leavers' Service, Harvest for Year 6, and the College services at Christmas and Easter.

The Planning of Collective Worship

The school is to have a two-yearly cycle of themes (Appendix 2) that will reflect the key aspects of the Christian year, as well as Saints Days and other Christian themes.

The long term planning should also include the groupings for worship – tutor groups, Colleges, half-school, whole school.

The rota for each year is published, although the need for flexibility as the terms unfold, and to accommodate unforeseen events, should be accepted and cantered for.

Methodology

- ✓ The Fruits of Faith (Appendix 1) change on a half-termly basis and run on a two year cycle, which is why there are two words for each letter. The exception is the summer term, which will just have one value ('Honesty' in year 1 and 'Honour' in year 2).
- ✓ In addition to this, there will be a 'theme of the week'. These are also related to the halftermly values. All assemblies (apart from a few special exceptions) that take place in that week must be on that theme.

Evaluation of Collective Worship

Worship can be evaluated by those leading the worship, other staff, the pupils for whom the worship is intended or members of the governing body.

Pupils complete 'Reflection Forms' after half-school or whole-school worship (Appendix 3). Senior staff may use a form to consider the delivery of acts of worship (Appendix 4). College Leaders are able to monitor collective worship that takes place in tutor groups.

The feedback forms and accompanying conversations allow personalised training for worship leaders. College Leaders' feedback within the Monitoring, Evaluation and Review process is offered as part of continuing professional development.
