

Dear Parents and Carers,

After we had published last week's Insider, three senior pupils and I were at the *No Barriers* awards at Redditch Town Hall. These accolades recognise the people and organisations who go the extra mile for people with disabilities. The citation is below, and is particularly poignant as it demonstrates one of our Fruits of Faith in action, namely, inclusiveness. We thank Disability Action Redditch, lead by Councillor Anita Clayton, for the award and for the warmth of the welcome at the event.

There has been a steady selling of tickets for the Arts Evenings, and the rehearsals have continued this week. "It'll be alright on the night" has applied to all the productions I have known over the 30 years in education, but the Arts Evenings always have an appropriate blend of different acts and performances. There will also be a display of the fantastic artwork that our pupils produce.

I urge Year 6 parents not to place pressure on pupils as the number of weeks to the SATs ticks down. The preparations have to be advanced this end for there are many pages of regulations that we comply with! Year 8 pupils will be taking some assessments during the same week, and these have significance for the high schools.

We know that the applications for Year 5 at our school are very high in number and, once again exceed the number of places we have available. The applicants will be informed of the allocations by the County's Admissions Department on 16th April.

Rev. C. Leach, *Principal*

*Walkwood encourages and nurtures its pupils. Their leadership and pastoral teams listen to concerns and make sure no child is left out. Children with special education needs and those with emotional and physical difficulties are accommodated, included and cared for. They make sure that any difficulty a child may have does not become a barrier to learning. Every child is loved and is seen as an individual and unique.*

### A Prayer for Charities

We thank you for the blessings you have given us.  
We pray that we can bless others generously through gifts of charity. Let us know when and how we can help others. We thank you for all the good work that charities do, may you bless them abundantly.  
Give them the knowledge and resources to succeed in their help for others.  
Amen.

### This week's theme was: Charities

Jesus was sitting in the temple near the offering box and watching people put in their gifts. He noticed that many rich people were giving a lot of money. Finally a poor widow came up and put in two coins that were worth only a few pennies. Jesus told his disciples to gather around him. Then he said: "I tell you that this poor widow has put in more than all the others."

Mark 12:41-43

# For the week ahead

<b>The Fruit of Faith is:</b>	<b>Thankfulness</b>	You are my God, and I will give thanks to you. <b>Psalm 118: 28</b>
<b>The tutor group virtue:</b>	<b>Humility</b>	Jesus noticed how some of the guests were choosing the best places, so he told this parable to all of them “When someone invites you to a wedding feast, do not sit down in the best place. It could happen that someone more important than you has been invited, and your host, who invited both of you, would have to come and say to you, ‘Let him have this place.’”
<b>The assembly theme:</b>	<b>Holy Week— death &amp; resurrection</b>	Standing close to Jesus’ cross were his mother, his mother’s sister, Mary the wife of Cleopas, and Mary Magdalene. Jesus saw his mother and the disciple he loved standing there; so he said to his mother, “He is your son.” Then he said to the disciple, “She is your mother.” From that time the disciple took her to live in his home. Jesus knew that by now everything has been completed; and in order to make the scripture come true, he said “I am thirsty.” A bowl was there, full of cheap wine; so a sponge was soaked in the wine, put on a stalk of hyssop, and lifted up to his lips. Jesus drank the wine and said, “It is finished!” <b>John 19:25-30</b>

## We ask for your thoughts and prayers in the week ahead for:

## Attendance Matters at Walkwood - The Traffic Light Initiative

The 'Traffic Light Initiative' is intended to raise pupil attendance levels.

The colours of a traffic light are being used to indicate the level of school attendance.

RED = below 90%, AMBER = between 90% and 95% and GREEN = 96% and above.

Our goal is that all pupils meet the green target of 96% and above. Details of your child's attendance can be found on Epraise or recorded weekly, by the tutor, in your child's planner.

### **96-100% attendance- Making every effort to attend school.**

Your son or daughter is an excellent attender and as a result, they will almost certainly achieve the best grades for their ability. They will also be able to take full advantage of the wider school community and will develop skills for life that will provide great opportunities in further education and the world of work.

### **90-95% attendance- Resulting in 2-4 weeks missed of school per year.**

This level of attendance will make it difficult for your son/daughter to achieve their full potential. They will have to work hard to catch up on the work that they have missed.

### **Below 90% attendance- Resulting in well over 4 weeks missed per year or 2 full years missed over the course of their school career.**

This level of attendance makes it extremely difficult for your son/daughter to keep up with lessons or work. They will also have difficulty contributing fully to the school community and will miss key life skills in readiness for the world of further education and work.

**Additionally, as a parent you could be investigated, and found guilty, of failing to ensure your child attends school in line with current education and school attendance laws within the UK.**

**70% attendance- Attending 3½ days each week = more than a quarter of the school year missed  
(9 weeks per school year)**

### **Being late for school also reduces learning time.**

**If your child is 5 minutes late every day they will miss three days of learning each year.  
If your child is 15 minutes late every day they will miss 2 weeks of learning each year.**

***Make every minute count***

## Playground Equipment

During the Autumn Term, Walkwood Middle School have improved the playground equipment with money raised over the previous 18 months through the Albion Foundation and various fundraisers. With the money raised we have purchased 3 table tennis tables, 2 table football tables and a number of basketball hoops and balls. Pupils have been getting involved and enjoying it so far. It certainly gives us something to do.

Possibly the most enjoyable pieces of equipment are the table tennis tables. They are located on the front and back playgrounds. There are pupils playing games during break times that they would not usually play, so it is fantastic to have these opportunities. Walkwood has supplied its pupils with enjoyable and quality equipment and the students have really appreciated it.

The Albion Foundation will be in again in the Summer Term and hopefully again we can raise lots of money to further improve the facilities in school for the enjoyment of the pupils.

By Mr West & Will Allardice (Year 7- Assistant Principal - Takeover Day)

During March, Walkwood Church of England Middle School held their first Times Tables Battle of the Bands.

Every Maths set had 25 minutes to answer as many times tables questions against another Maths set. During the battles there was a buzz watching the leader bar increasing and who would answer the most amount of questions.

A huge **214,556** times tables were answered correctly.

What an amazing effort by all Maths sets.

Congratulations to the following for the highest amount of questions answered correctly:

Overall Year group	Year 6	73,889
Overall Maths set	Year 8 set 1	12,892
Year 5 boy	Eughan Downing	1563
Year 5 girl	Neve King	1092
Year 6 boy	Jonah Grogan	1071
Year 6 girl	Mia Norris	937
Year 7 boy	George Lloyd	908
Year 7 girl	Cadee-Leigh Chaney	715
Year 8 boy	Freddie Masefield	1510
Year 8 girl	Abbie Jones	729

Well done to all pupils for their efforts taken to learn their times tables and for a highly successful first Battle of the Bands.

What word class is this word? Could it belong to more than one word class?

How many syllables does it have?

Write the dictionary definition(s) of this word, using your own words.

Are there any antonyms for the word?

Write four sentences, each containing the word.
