

# Walkwood

Church of England  Middle School

## Data analysis 2021-22

The school uses GL Assessments to measure its performance against national expectations.

All GL data has been taken from the end of year GL assessments sat by each year group. Outcomes are noted as standard age scores unless otherwise stated, the national average of which is 100.

“Wise men and women are always learning, always listening for fresh insights.”

*Proverbs 18:5*

“The vision, in line with the Church of England’s role as the established Church, is for the common good of the whole human community and its environment, whether national, regional or local. It is hospitable to diversity, respects freedom of religion and belief, and encourages others to contribute from the depths of their own traditions and understandings.”

*Deeply Christian, Serving the Common Good, 2016*

“The core purpose of any Church school is to maximise the learning potential of every pupil within the love of God.”

*SIAMS (Statutory Inspection of Anglican and Methodist Schools) 2012*
