

Walkwood
Church of England  Middle School

Sport Premium Funding-
Academic year 2022 – 2023

What is Sport Premium?

Allocated government grant which is used to help make additional and sustained improvements to the provision of Physical Education and sport for primary aged pupils (year 5 and 6 for our school). The premise is that, as a school, the provision will help to encourage healthy, active lifestyles as a result of providing a positive experience and hopefully encourage lifelong participation.

There are 5 criteria where improvements can be made:

- **Key indicator 1:** The engagement of all pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school
- **Key indicator 2:** The profile of Physical Education, School Sport and Physical Activity (PESSPA) being raised across the school as a tool for whole school improvement
- **Key indicator 3:** Increased confidence, knowledge and skills of all staff in teaching PE and sport
- **Key indicator 4:** Broader experience of a range of sports and activities offered to all pupils
- **Key indicator 5:** Increased participation in competitive sport

Our vision

At Walkwood Church of England Middle school we recognise the importance of PE and the role it has to play in promoting long term healthy active lifestyles and making a positive impact on physical, mental and social health. We also understand that it should inspire pupils to succeed, develop confidence, build character and provide them with competitive opportunities. The skills, attitudes and values developed through PE are those which will help prepare for the next levels of learning but also be successful within the community and wider school setting. We look to inspire our pupils through engaging and fun lessons, offering a wide range of sporting activities and extracurricular clubs and providing competition.

The school's philosophy of **love to learn, lean to live, and learn to love** is integrated within the core concepts of pupil learning and assessment within PE and our vision is to facilitate pupil learning of skills and values which can be transferred across all curriculum areas and beyond the physical boundaries of school.

‘I can do all this through him who gives me strength.’

Philippians 4:13

‘..but those who hope in the Lord will renew their strength. They will soar on the wings like eagles; they will run and not grow weary, they will walk and not be faint.’

Isaiah 40:31
