14 **Please share any other information that you think relates to the transition process for your child.**

I think the “buddy” system is a fantastic idea as the children who have already been through the experience can explain it to them on their level.

My son has come from a non-feeder school therefore doesn't know anyone as he's new to the area, the whole transition has been much better than I could have hoped due to the friendliness of the staff. Thank you!

For a child with additional needs, your transition process has been brilliant – thank you.

I was concerned my child would find the transition from primary school to middle school very difficult however I couldn't be more pleased with how smoothly it has gone! She looks forward to coming in each day and has made various friends. Thank You!

The transition has been outstanding. Help has been available for my son and me as a parent. The help and support we have both encountered has been excellent. Providing specialist equipment and support. Thank-you

We have been very pleased with the transition process. Staff always seem to go the extra mile to be helpful (very impressed that the crossings on Feckenham Road and Tennyson Road are manned after school to see the children safely across.) Our son loves Walkwood, and we are really pleased that we chose it and were able to obtain a place. Keep up the good work!

Our son had additional transition days which were hugely beneficial to him. We have no doubt that this helped him relax into middle school well.

My daughter has settled in well and the school has a great atmosphere and always feels very welcoming.

Brilliant school. Can't thank you enough for what you have done for my other 2 children that attended Walkwood and look forward to the next 4 years with my youngest.

My daughter was very nervous about leaving The Vaynor and starting Walkwood but she so far is loving every minute which makes me a happy parent. Long may this continue.

Approachable, friendly and informative approach has worked wonderfully. Cannot fault the first 2 weeks. Great job, well done. One happy boy and 2 happy parents.

I have been very happy with my child's transition to Walkwood, particularly as few of his peers have moved with him from first school. I'm especially pleased with the pastoral care at Walkwood. I'm confident my child is going to thrive at Walkwood Middle School!

Your time in completing this survey is appreciated. Please ask your child to return this form to the drop box in school.

The results will be processed and posted on the school website.

Any matters that the survey raises will be carefully considered by the Senior Leadership Team and Governors.

**Thank  
you.**
